

Dr. Chloes Handbook Jan 2016: The Guide To Global Ascension; The Unprecedented Stabilization of The Individual/Universal Human Being

The contents of this book objectively reveal the scientific process of resurrection; the process that is currently going on in Dr. Chloes Circle. Dr. Chloes Circle is the sound mathematical structure that is turning the bio-hazardous waste of psychological projections into the soundly engineered human structure that hosts the whole psyche with joy.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
