

1,000 Conversation Questions: Designed for Use in the ESL or EFL Classroom

The best book available of topic based conversation questions for students learning English. The title says it all, this book has more than 1,000 questions divided into topics. It covers most topics found in ESL books, so it works great as a supplement to what you are already teaching. Its also perfect for warm-ups or filler activities. Perfect for intermediate and advanced ESL / EFL students and some questions will also work with high level beginners. NOTE: This is the second edition, its slightly larger and has slight larger text. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
