

# Learn English and Arabic with Max: The Adventures of Max the Dog: A Dual Language Book in English and Arabic Text

An illustrated dual language reading book in Arabic and English text. The English text is in rhyming verse, with the Arabic translation above/below on same page. The Idea behind the book is to enable and encourage bilingual families to enjoy reading together without the limitations language barriers can sometimes present. The storyline is a tale of Max the dog and his adventures when he finds himself free from his lead one sunny morning in the park. Although delighted with his new found freedom, Max learns the perils of leaving the side of a responsible adult.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
