Bloggers and writers get stuck. And tired. And sick. And bored. It is often hard to come up with something fresh and original. It is. Trust me. It is. In order to have a successful blog, you are going to have to routinely dream up new, high-quality content. Every blogger is going to battle writers block at some point. I have been there and continue to have days where I sit down at the computer to share some of my fresh and unique thoughts . . . but there are not any. The techniques, methods, and list of inspiring ideas I am going to share with you in this book have been helpful to me, and I know they will get your creative juices flowing on the days you need a little brainstorming boost.

Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
