

## 1997 Information Please(R) Almanac (Serial)

Commemorating its 50th year, the Information Please Almanac for 1997 promises to be the most exciting edition ever. With more than one million facts, specially commissioned articles, and award-winning photographs, this reference of choice continues to be the ultimate browsers reference for discriminating readers. Thoroughly revised and updated to reflect changes in every subject during the past year, this new edition sets the standard among almanacs for comprehensiveness and readability. Complete election results, expansive Olympics coverage, and new essays - on the Bosnian peacekeeping operation, the fastest-growing job markets, and others - are only a small taste of what will surely be the most engaging Information Please Almanac yet.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
