

Swindon City Atlas

This is a brand new street atlas of Swindon, Chiseldon, Lyneham, Purton, Wootton Bassett and Wroughton giving the most comprehensive and detailed coverage of the area. The mapping is prepared to the same specification as all titles in the highly successful Philip's Street Atlas series. The contents include a route - planner - two pages of detailed Navigator[registered] mapping giving an overview of the whole area covered by the atlas - marking all major and minor roads; a two page guide to the top visitor attractions; and an index of street names and postcodes. The street maps provide comprehensive coverage of Swindon, Chiseldon, Lyneham, Purton, Wootton Bassett and Wroughton with 54 pages at an enlarged scale of 4.5 inches to 1 mile, and one page of ultra-large coverage of central Swindon at 7 inches to 1 mile. The maps show every named road, street and lane, with visitor attractions clearly marked, and one-way streets, pedestrian areas and through-routes all highlighted. Schools, colleges, hospitals, police stations, post offices, car parks, sports centres, and local government offices are all featured. Pocket sized, and wire stitched so that it opens out flat, the atlas is ideally suited for both business and leisure use, whether by locals or visitors.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
