

201 Writing Prompts: to spark creativity and end writers block

201 Writing Prompts contains fun and challenging writing starters to spark your creativity no matter which genre of fiction you love to write in. Use them to bust writers block, inspire your writers group, or make them a part of your daily writing journals. The book is divided into chapters of ten random writing starters each. Work through them in order, or dip into the book anywhere you please. Even though there are 201 separate topics in the book, many offer several options, giving you more than a years-worth of daily writing prompts.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
