

## Outlaw Red

He was Sean, a champion, the biggest, handsomest son of Big Red, the famous Irish setter. Bursting with hunting instincts, he fretted under his pampered kennel life, and longed for the wilds. Then suddenly his life changed. He found himself on his own in the Wintapi wilderness, lost, his human protectors gone. An outlaw, he was hunted and shot at by the hill men. How Sean learned to survive amidst constant danger, how he challenged a coyote killer to save his mate, is a stirring tale of bravery and an exciting wilderness adventure. It is also the heartwarming story of another unwilling outlaw--the boy who loved Sean and wanted him for his own.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
