

# Business Conversations

Speak Business Chinese Fluently is an intermediate level textbook mainly targeting students who major in economics and trade. The book consists of 15 texts, categorized into 3 units based upon different business activities. Each text contains a business theme, around which sections like Warm-up Topic, Useful Expressions, Background Information, Speaking Task, Model Essay, Vocabulary, and Exercises are presented. The vocabulary, texts and exercises are all designed at a moderate difficulty level and each text requires about four class hours for teaching as well as practice.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
