90+ DAYS OF PROMOTING YOUR BOOK ONLINE: Your Books Daily Marketing Plan. Promote Your New Book ~ OR ~ Breathe Life Back Into an Older One! Do you want to generate sales for your book, but just aren't sure what steps to take? This is for you! Promoting your book online should be considered at least a part-time job. Highly successful authors spend more time promoting a book than they do writing it - a lot more. We know what you're thinking. You're an author, not a marketer. Not to worry! We have more than a decade of successful online book selling experience under our belts and were going to teach you how to promote your book effectively online...and almost all of our techniques are FREE! WHATS THE BIGGEST MISTAKE AUTHORS MAKE? If you really want to sell books, don't do what most authors do - dump your book at a few websites and walk away, hoping it'll catch on some day. That just doesn't happen in the real world. Don't hide your words from the world! Promote it aggressively using the easy tips and schedule provided in this book! Online book promotion is not only simple but, if you have a step-by-step, day-to-day marketing plan (this book!), it can also be a very artistic endeavor, which makes it fun for creative folks like you! Yes, online book promoting can be EASY and FUN! Let us show you how, from Day 1 through Day 90...and beyond!

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
