

Longman Texas Cornerstone 2

Longman Cornerstone is a multi-level, intensive English Language learning program specially designed to help English learners master the Texas English Language Proficiency Standards (ELPS). The reading instruction is designed to improve English learners ability to decode and make sense of unfamiliar words as they read course material in different disciplines, so that students are learning to read English as they read English to learn.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
