

NIGHT BEFORE XMSLS

No young child's Christmas can ever be complete without Clement C. Moore's delightful ballad of the jolly Santa and his sleigh pulled by eight tiny reindeer. As beloved now as when it was first published in 1823, *The Night Before Christmas* is a masterpiece of exuberant holiday cheer and the perfect way to bring a Happy Christmas to all, and to all a good night.

Welcome to the blog of Joan le Grande. I'm changing the blog to English so forgive me the Dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
