

Adios, Strunk and White: A Handbook for the New Academic Essay 4th ed.

Enjoy the writing tools strong writers know about but never talk about. Adios is for professional writers, college students, professors, K-12 teachers, and self-taught writers. Learn style for business, academic, scientific, and creative writing through concepts that appeal to our rhythmic, spatial, and playful sensibilities. Expand writing beyond the five-paragraph, academic word-box. Develop a distinct voice required by major university application forms and journal editors. Merge style with critical thinking, logic, and research. Everything is explained with verve. The Hoffmans practice what they preach.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
