

The Secret of the Sahara: Kufara

Travelogues Collection offers readers a unique glimpse into the diverse landscape, culture and wildlife of the world from the perspective of late 19th and early 20th century esteemed travelers. From the exotic islands of Fiji to the lush jungles of Africa to the bustling streets of New York City, these picturesque backdrops set the scene for amusing, and at times prejudiced, anecdotes of adventure, survival and camaraderie. Photographs and whimsical illustrations complement the descriptive text, bringing to life the colorful characters encountered along the way. The Shelf2Life Travelogues Collection allows readers to embark on a voyage into the past to experience the world as it once was and meet the people who inhabited it.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
