

A Moeso-Gothic Glossary: With an Introduction, an Outline of Moeso-Gothic Grammar, and a List of Anglo-Saxon and Old and Modern English Words Etymologically Connected With Moeso-Gothic (Classic Reprint)

Excerpt from A Mæso-Gothic Glossary: With an Introduction, an Outline of Mæso-Gothic Grammar, and a List of Anglo-Saxon and Old and Modern English Words Etymologically Connected With Mæso-Gothic

The present book was undertaken with the view of providing English students with a useful handbook to the Mæso-Gothic language, free from the disadvantages which accompany most existing Glossaries of it. These are, for practical purposes, either too small or too large; either they give no references at all, or the page is crowded with references to every passage in which the word occurs. The former of these is a grave defect; the latter arrangement is, philologically, of great value, but makes a book all the more expensive to buy. Besides, the explanations are given in German, and, however improving this may be to the reader, it gives him additional trouble and often leaves him in some uncertainty after all. It is high time, moreover, that Englishmen should have useful philological books written in their own language, to a much greater extent, that is, than is now the case. The publication of Massmanns, Gaugengigls and Stamms editions of Ulphilas, and, in England, of Dr. Bosworths cheap edition of the Gothic, Anglo-Saxon, Wyclifflfe, and Tyndales Gospels renders a good Moeso-Gothic text easily accessible, and this seems to make a small and convenient glossary, in English, the more necessary. The glossary is the only unsatisfactory part of Massmanns excellent book, a fuller notice of which will be given below. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst

repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
