

The Urdu Teacher (Classic Reprint)

Excerpt from The Urdu Teacher Acquiring a knowledge of a foreign language is beyond doubt a long and arduous study, but to the intelligent, observant student it ought to be at least one of the most interesting, for it cannot be denied that knowledge of any one language means an intimate knowledge of the people speaking that language. Are there any more interesting peoples than your Aryan brethren of to-day, scions of that great and common ancestor who in the dim unrecorded long ago strode as conquering hero where you now stand, as the, representatives of the greatest sovereign that ever held sway Over India P What a vista is opened up when we think of what has happened between then and now You can take it that every Englishman speaking the Vernacular, forcibly reminds the Native of India of that common Origin, helps him to welcome as a blessing the return of the Elder Brother after his long sojourn in the West, and more than anything I know of, serves to foster respect on both sides. With all its faults, I hope my little work Will assist you in obtaining a knowledge of this great Vernacular. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy

stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
