

El palestino / The Palestinian (Spanish Edition)

Ningun ser sabe lo que le depara el mañana, ni ser alguno sabe en que tierra ha de morir... el sagrado Coran 31,34 ... Tuve suerte. Vladimir Ramirez me cito muy cerca de la mezquita de Caracas, a la que yo acudia todos los viernes para rezar. Por ?n habia aceptado que grabasemos la entrevista. Y en plena grabacion nos interrumpio el telefono. Era su hermano... Carlos el Chacal. Me lo paso para que lo saludase, y nuestra primera conversacion se inicio en arabe... Mas tarde, despues de mi adiestramiento paramilitar, del contacto con ETA y las FARC en Venezuela, y los contactos con Hizbullah en Libano y con Hamas en Palestina, el Chacal se convertiria en mi mentor y me llamaria directamente todas las semanas para darme instrucciones... Despues de seis anos in?ltrado bajo la identidad ?cticia de Muhammad Abdallah en diversas organizaciones terroristas, ve la luz El Palestino, una cronica sorprendente en la que el conocido periodista de investigacion Antonio Salas nos relata este tiempo viviendo al limite, para tratar de desvelar a sus lectores que hay de verdadero o falso en las aterradoras noticias que nos golpean dia a dia sobre la escalada de violencia en el mundo. Espana, Palestina, Israel, Marruecos, Tunez, Siria, Mauritania, Venezuela, Egipto,Suecia, Libano... son los escenarios de esta investigacion sin precedentes, tan valiosa que rebasa las fronteras del papel. Antonio Salas ha disenado una revolucionaria pagina web, de consulta complementaria a la lectura del libro, con material inedito que ayudara a comprender mejor el gigantesco rompecabezas del terrorismo internacional. El Palestino es una nueva forma de entender el periodismo de investigacion.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
