

Practical Medical Chinese Preclinical 1 (Chinese Edition)

Specifically designed for overseas students in China for undergraduate medical education, consisting of three volumes: elementary, preclinical, clinical and clinical vocabulary handbook. The clinical volume including three specific Chinese textbooks on clinical medicine, surgery, internal medicine, and health care for women and children. Emphasis on the connection and transition of both language and professional knowledge. Abundant illustrations as well as MP3 and PPT to facilitate teaching.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tag: experience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
