

## Essentials of Spanish Grammar (Classic Reprint)

Excerpt from Essentials of Spanish Grammar

As the authors Spanish Grammar, published nearly ten years ago, has met with such marked favor with teachers of Spanish and still continues to hold its own, it was thought that a book along the same lines but containing less detail and, in some respects, simpler in its general treatment, would prove acceptable to those whose classes can not devote to the study of Spanish the time necessary to a mastery of the larger work. With this end in view, an endeavor has been made, in the present work, to treat only such features of the grammatical mechanism of the language as are essential for the reading of ordinary Spanish. As the teaching of the older book is believed to be sound in every way, the same treatment has been adhered to and most of the same material has been used, but it has been recast and simplified in many ways. The exercises are new throughout and, where convenient, have been incorporated in the text where they properly belong. These exercises cover all the verbs, regular as well as irregular, and, in this respect, will doubtless be found to be an improvement.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I

already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
