

A Christmas Carol (illustrated)

The timeless tale of Ebenezer Scrooge and his adventures on Christmas Eve continue to teach an important lesson even to this day. Author Charles Dickens introduces us to the main character by painting him in a negative light, a selfish and miserly old man who will barely pay enough money to keep his office heated. When Scrooge returns home after work, the ghost of his former business partner Jacob Marley visits him and tells him that because of the wrongdoing he had done during his life, he has been condemned to walk in his ghost years shackled by chains. He warns Scrooge that the same fate might await him. The ghost leaves, allowing Scrooge to fall asleep. Scrooge is then visited by three different ghosts: first comes the Ghost of Christmas Past, who takes him to revisit various scenarios from his past Christmases, including one event in particular that makes Scrooge shed tears. Next, he is taken around by the Ghost of Christmas Present, who shows Scrooge what Christmas will look like this year, and he sees scenes of the Christmas dinner held by his clerk Bob Cratchit, who has a crippled son. The final visitor is the Ghost of Christmas Yet, and while the two of them are on their journey, they overhear people speaking about a dead man and his assets. Scrooge yearns to know who has passed away, finally figuring out that the deceased man is himself. After the initial shock and a promise to change his ways, Scrooge finds himself back in his bed with a brand new outlook on life.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
