

# A Christmas Carol

The tale begins on Christmas Eve seven years after the death of Ebenezer Scrooges business partner Jacob Marley. Scrooge is established within the first stave (chapter) as a greedy and stingy businessman who has no place in his life for kindness, compassion, charity, or benevolence. After being warned by Marleys ghost to change his ways, Scrooge is visited by three additional ghosts each in its turn who accompany him to various scenes with the hope of achieving his transformation. The first of the spirits, the Ghost of Christmas Past, takes Scrooge to the scenes of his boyhood and youth which stir the old misers gentle and tender side by reminding him of a time when he was more innocent. The second spirit, the Ghost of Christmas Present, takes Scrooge to several radically differing scenes (a joy-filled market of people buying the makings of Christmas dinner, the family feast of Scrooges near-impooverished clerk Bob Cratchit, a miners cottage, and a lighthouse among other sites) in order to evince from the miser a sense of responsibility for his fellow man. The third spirit, the Ghost of Christmas Yet to Come, harrows Scrooge with dire visions of the future if he does not learn and act upon what he has witnessed. Scrooges own neglected and untended grave is revealed, prompting the miser to aver that he will change his ways in hopes of changing these shadows of what may be. In the fifth and final stave, Scrooge awakens Christmas morning with joy and love in his heart, then spends the day with his nephews family after anonymously sending a prize turkey to the Crachit home for Christmas dinner. Scrooge has become a different man overnight, and now treats his fellow men with kindness, generosity, and compassion, gaining a reputation as a man who embodies the spirit of Christmas. The story closes with the narrator confirming the validity, completeness, and permanence of

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
