

A First Greek Book: With References to the Grammars of Hadley-Allen and Goodwin (Classic Reprint)

Excerpt from A First Greek Book: With References to the Grammars of Hadley-Allen and Goodwin This book does not pretend to offer a short and easy introduction to the Greek language. For Greek is not easy, and any short introduction can only prove inadequate. Even the one years work which this book contains must postpone many subjects, which properly should be mastered before the student should be set to reading a Greek author. A man must sow before he can reap. Discipline in a language cannot be got at the same time with the pleasures of its literature. They are mutually destructive, and discipline must precede. That impatient haste, therefore, which opens at once with the first page of Xenophons Anabasis with little or no preliminary hard labor reaps invariably its Whirlwind of quick ennui, despair, and vain regret. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality.

Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
