

S I P: Simple Instructions of Prayer

Simple Instructions of Prayer is written for those that are struggling in their prayer life. This book will take the guesswork out of prayer for you, to help you stop wondering in your prayer life. I myself had been in church all my life, but I was still a baby in many areas of my life, primarily prayer. If there isn't any growth in your prayer life, it will be difficult to grow in other areas of your spiritual walk with God. Are you depending on everyone else to pray for you? Do you know if you are connected with the Lord in prayer? Do you have a prayer relationship with the Lord? Revelation comes through relationship, relationship are built in prayer. This book will give you confidence and strength in your prayer life. Let's Pray!!!

Welcome to the blog of Joan le Grande. I'm changing the blog to English so forgive me the Dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
