

Lindsey and the Christmas Puppy (Lynns Girls Book 4)

Its Christmas and Lindsey has her heart set on a new bike! An Open House at the local Animal Shelter introduces her to a special friend, a puppy that Lindsey believes needs her. Lindsey soon finds out she is the one that needs the puppy. A wonderful Christmas story about a new bike versus a puppy that needs a home. Sharing, pet adoption, volunteering during the holidays, all through the eyes of a seven year old girl. Something to make all ages smile.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
