

A Guide for the Study of Heyses LArrabbiata: With Questions for Grammar Review (Classic Reprint)

Excerpt from A Guide for the Study of Heyses Larrabbiata: With Questions for Grammar Review The present tendency in the teaching of German as a living language is rightly, as much as possible, to teach the student the language through the language. Nearly all the texts offered consist only in questions for conversational drill. The grammar side of the language, so essential for students of mature years, has been neglected, due perhaps to the baneful influence of the too common use of the grammar as a mere text-book. The other extreme, however, of devoting too much time to conversation and pronunciation without grammar drill has just as serious faults. The teacher must ever keep in mind the ultimate aim of college German. It is impossible for a student to cope with difficult texts. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
