

A History of the Descendants of David McKee, of Anahilt: With a General Sketch of the Early McKees (Classic Reprint)

Excerpt from A History of the Descendants of David McKee, of Anahilt: With a General Sketch of the Early McKees

The history of the McKees had been for years a subject of study by the author of this book. His manuscript was nearly finished, and he had written to several persons that he hoped soon to have the volume published, when suddenly the Author of Life said of his earthly labor, It is finished. From the time he divided the first honor of his class at Jefferson College in 1856, until his death of pneumonia, December 24th, 1891, all his life was spent in teaching. His continuous connection with the Pennsylvania State College for twenty-five years, in times of prosperity and adversity, bears silent testimony to his sterling qualities. His retiring disposition led him more than once to refuse the offered Presidency of the Pennsylvania State College, yet again and again he took the helm as Acting-President, safely steering the institution through the thickest darkness of its history until day began to break again and another pilot could be secured. He was an accomplished scholar in literature and the dead languages, a fine mathematician, thorough in everything, always willing and ready to help, steadfastly doing the right, and an earnest Christian worker, for several years before his death being an elder in the Presbyterian church. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
