

A Record of the Inscriptions on the Tablets and Grave-Stones in the Burial-Grounds of Christ Church, Philadelphia: Compiled and Arranged at the Request of Vestry (Classic Reprint)

Excerpt from A Record of the Inscriptions on the Tablets and Grave-Stones in the Burial-Grounds of Christ Church, Philadelphia: Compiled and Arranged at the Request of Vestry The property on which the church is built was purchased in the year 1695, only thirteen years after the city was founded, and when the population numbered about The first church interments were made in this ground, but the population of the city increasing rapidly, it was soon found necessary to secure a lot in the suburbs for a burial-place. Accordingly, in the year 1719, the ground at Fifth and Arch Streets was purchased, and most of the interments were afterwards made there. Almost all the old families of Philadelphia will find that the remains of some of their ancestors rest in this hallowed ground, as it was for a long time the main repository of the dead in the city. The earliest date, as at present seen on the inscriptions, is 1721, but interments were made there during the year it was Opened, and no stones appear to have been placed over the graves. It is a cause of regret that tablets were not always erected over every grave, as memorials of the departed. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I

already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
