

## A Sketch of the Kaler Family for Three Hundred Years (Classic Reprint)

Excerpt from A Sketch of the Kaler Family for Three Hundred Years For nearly a third of a century I have been gathering facts pertaining to my ancestry. During all this time I have kept well informed of the events transpiring in the numerous branches of the family. I am not lacking in facts. It is only a question where to prime down, shorten, and eliminate from the great mass of manuscripts, letters, heirlooms and records, without impairing the important central facts I think will interest the reader, and bring this little volume within intended bounds. To the memory of my brother, Dr. William Allen Kaler, deceased, I must add a tribute, for the assistance he gave me in the earlier years of the work. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
