

## First in Canada: An Aboriginal Book of Days (TBS)

First in Canada is a unique expression of the many accomplishments Indigenous Canadians have made to Canadian society. As beautiful as it is informative, this perpetual calendar is a glimpse of 10,000 years in 365 days! Informative, innovative, and inspirational, First in Canada will take readers through one calendar year of Aboriginal history, providing visuals and details of past and contemporary achievements and challenges of First Nations, Metis and Inuit peoples in Canada. It will appeal to those interested in Canadian history, to high school and university students, and to researchers looking to initiate projects on Aboriginal topics. Attractive and functional, this personal schedule book contains beautiful aboriginal works of art and will serve as a ready reminder of the importance of First Peoples to the ongoing cultural dynamic in Canada. Carefully researched by Jonathan Anuik, First in Canada is the first of its kind.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
