

Pathfinders

Few books have changed more lives than Gail Sheehy's *Passages*. In her follow-up landmark best seller, *Pathfinders*, Gail Sheehy explains why some of us overcome life's crises while others do not. Through interviews with hundreds of people of all ages and backgrounds, she has found that true pathfinders are men and women who have discovered uncommon solutions to the predictable crises and unexpected accidents of adult life. In vivid, unforgettable portraits, Gail Sheehy tells their life stories and analyzes the process by which they accumulated confidence, control, and courage in their lives.

Welcome to the blog of Joan le Grande. I'm changing the blog to English so forgive me the Dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
