

## A Partial Record of the Mansur Family (Classic Reprint)

Excerpt from A Partial Record of the Mansur Family John Mansur, page 8, is number 1; Elizabeth, his eldest child, is 1-1; John, the younger child, is 1-2, i. e. the second child of the eldest child. Thus, William the second child of John (1-2) has in addition to his fathers number a figure 2, indicating that he is the second child of the second child of the eldest child of the founder of the family. This system is maintained throughout, and permits the addition of new families without change in the system of notation, a matter of some moment when a family record is not complete. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
