This series includes 10 stages. Each stage is composed of 1 Textbooks, 2 Exercise Books, MP3 and CD-ROM. The whole series is accompanied by 2 Teachers Books for the convenience of teachers.

I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
