

## Adventures of a New Years Date: A Holiday Sweet Romance (Funeral Crashing Young Adult Mystery Books)

Claire Murray has no idea why handsome, popular Dave Rickerson would want to ask her on a New Years date. They've never even spoken before and suddenly he's pulling out all the stops to get her to go. Is there something he's not telling her or is this a fairy tale New Years Eve about to come true? This sweet romantic short story is a companion to Adventures of a New Years Kiss (a cozy mystery novella featuring Suzie Whitsett). Numerous Funeral Crashing characters appear in it. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
