

Adventures in understanding

Eight lectures on the art of living with people to help sincere individuals deal with the practical problems of life. Each individual lives to fulfill the destiny which he has earned for himself. If he takes the right attitude, he can never be disillusioned or discouraged. There are times when values are difficult to discern, but it is always possible to preserve the tranquility of the inner life by a gracious cooperation with the workings of Divine Providence. This is an anthology of eight verbatim transcripts from lectures given by Manly P. Hall:

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
