Contenidos con una clara orientación práctica. Aporta novedades para el aprendizaje del español de los negocios: resolución de tareas; casos prácticos. Información actualizada; auténtica de todo el ámbito hispano. Ofrece una serie de actividades comunicativas que se complementan con el uso de Internet. El cuaderno de ejercicios propone casos prácticos extra. Spanish course for students and professionals who need to learn business and commercial Spanish. Students will learn concepts in an active enterprise environment. This book follows a practical approach and its objective is to be useful as a learning and communicative tool. Al día encourages the Internet use. Al día is a course at three levels: beginner, intermediate and advanced. Each level includes a Students Book + CD, a Workbook and a Teachers Book. Activities and exercises have been tested by HEC Paris: a prestigious Management School. All intermediate materials will be available at the end of 2007.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
