

How the Fox Got His Color Bilingual Turkish English (Turkish Edition)

This delightful little story tells of a young girl's time with her grandmother as she relates a legend of how a mischievous little white fox, with all his grand adventures, became the red fox we all know today. How the Fox got His Color may well become an all-time children's classic and a perfect book for the young reader. English as a second language students will enjoy it as a valuable study tool, as well as those learning a foreign language.

Welcome to the blog of Joan le Grande. I'm changing the blog to English so forgive me the Dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
