

Alternative Rhetorics: Challenges to the Rhetorical Tradition

Alternative Rhetorics questions traditional canons of rhetorical thought, and offers new perspectives on rhetorics historically overlooked within Western culture. Along with establishing new methodologies for investigating the history of rhetorics, the book also explores rhetoric's changing relationship with technology. By challenging the reader's understanding of rhetoric and the rhetorical tradition, Alternative Rhetorics provides insights that will allow researchers, educators, and students to rethink their own position in a rhetorical world.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
