

Where Hummingbirds Come From Bilingual Marshallese English (Marshallese Edition)

This delightful little story tells of a young girls time with her grandmother as she relates to a legend of Where Hummingbirds Come From. Grandmother explains the magic waters and the beauty of this tiny bird. Where Hummingbirds Come From may well become an all-time childrens classic and a perfect book for the young reader. As well as a wonderful study guide for English as a second language students.

I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
