

## Childrens book: Richard finds true love (Happy bedtime stories childrens books collection Book 1)

Have you ever seen an abandoned dog on the street and wondered what will happen to him? In this wonderful and heart-warming childrens book for kids aged 3 to 6 years old, a lost Boxer dogs life changes forever when a lovely woman, Lee, finds him. She calls him Richard and takes him home. Lee only wants to help, but isnt sure how her sad daughter, Jessie, will feel about the new visitor. Giving an abandoned dog a new home isnt always that easy, you know. Will he stay with Lee and Jessie or will he have to go to the shelter? Life is full of surprises, and for every lost soul there is a mate somewhere. Maybe Richard is meant to be with Jessie and Lee. Maybe he can cheer Jessie up. And maybe just maybe they can change each others lives forever.

I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
