

Ambaraba: CD-Audio (2) 2 (Italian Edition)

A course of Italian for elementary school students. The course has been tested for years by the Pedagogical Institute of Bolzano and can be used both abroad with foreign children or in Italy with mono- or multi-language-speaking classes. The methodological and didactic approaches characterize Ambaraba as having: the richness and variety of language input that delineates a learning itinerary for students who are continuously exposed to authentic language; the great attention given to oral skills and in particular listening comprehension skills - thanks to the countless audio materials and the original songs composed and performed by professional musicians; and the attention given to the interactive aspect of learning and to cooperative learning, with the systematic offer of production or comprehension activities to be performed in pairs or groups. Includes: two audio CDs-- one with the songs (all with music and original texts) and one for listening along with the activities.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
