

Woody (The College Collection Set 1)

The College Collection centres around five main characters, Luca, Anda, Jim Jam, Woody and Nolan. They are from different backgrounds and first meet at Parkfield College, where they are studying for a BTEC in Media Studies. They quickly become friends. The College Collection follows them through their time at Parkfield College and the adventures and adversities they experience there. Above all they work hard, have fun and their friendship shines through. The subliminal messages of overcoming failure, of acceptance and support run through all the texts, alongside messages of resilience and perseverance. In each of the first five books in this set we meet a different character, and learn about their personalities, backgrounds and what they did before they arrived at Parkfield College. In Art Attack, they are thrown into a project together, which takes them on a surprising and challenging adventure. This first set of six books in the reading scheme, The College Collection, is designed to support and extend the acquisition of reading skills, and the enjoyment of reading, through exciting stories and relatable characters. The books reinforce high frequency words and the core phonic skills needed to access basic reading levels. Each set provides stories which bridge the gap between base level schemes and longer, more challenging texts. They are suitable for readers who still need a formatted reading scheme and are not yet ready to go onto free readers, but who still want interesting, engaging, real-life books. They are flexible, so no matter what other schemes you may be using, these books stand alone, enhancing and extending any reading experience. The books provide developing readers with age-appropriate material designed to boost competence and confidence, engaging the reader and encouraging reading for pleasure. The books are also useful for reluctant readers or where the acquisition

of reading skills has been identified as a problem. They have been specifically designed to consolidate young readers skills and to improve the confidence of older readers who are still acquiring and developing reading skills.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
