

# An Independent Study Guide to Reading Latin

Reading Latin, written by Peter V. Jones and Keith C. Sidwell and published by Cambridge University Press in 1986, is a Latin course designed to help mature beginners read Latin fluently and intelligently. This Independent Study Guide is intended for students who are using the course on their own or with only limited access to a teacher. It contains notes on the Latin texts that appear in the Reading Latin Text volume, translations of all the texts, and answers to the exercises in the Grammar, Vocabulary and Exercises volume.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
