

First Introduction to German Philology (Classic Reprint)

The First Introduction to German Philology, which originally formed the Appendix to the authors Progressive German Composition, and was not designed as a separate publication, contains an elementary but sufficiently exhaustive sketch of the historical development of the language, chapters on Derivation and Word-building, and an Etymological Glossary. Much may be said for and against the study of the philological element of a language at school. The author is convinced of its utility, and ventures to hope that this little book will be approved by those who desire to see the study of German recognised as a means of mental discipline and culture, hardly inferior to the study of the ancient classics. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
