

Analysis of the English Sentence, Designed for Advanced Classes in English Grammar (Classic Reprint)

This treatise, designed for advanced classes in English Grammar, is given to the public with the hope that it may contribute somewhat to the philosophical study of our language. A systematic analysis of the English Sentence, should hold a prominent rank, merely as an important means of mental development. In this respect no branch of study has been regarded so dry and sterile. A few years ago the attainments of most teachers in grammar were, to the last degree, superficial, and their instructions systematically wrong. The student of Kirkham supposed that his order of parsing exhausted the subject, and the disciple of Murray knew far more of rules than relations. (Typographical errors above are due to OCR software and do not occur in the book.) Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
