

The Ancient Family of Cleland: Being an Account of the Clelands of That Ilk, in the County of Lanark; Of the Branches of Faskine, Monkland, Etc;; And of Others of the Name (Classic Reprint)

Excerpt from The Ancient Family of Cleland: Being an Account of the Clelands of That Ilk, in the County of Lanark; Of the Branches of Faskine, Monkland, Etc;; And of Others of the Name This account is to be considered more as a compilation from various records than a narrative history of the family. There has been no warping of truth to accomplish any end. The authority for each statement is cited, and where hypothetical speculation has been necessary the value to be attached to it has, as far as possible, been estimated. Such work as this will be considered by many but as labour in vain. Still it must be remembered that we all are, in great part, what our forbears made us, and, by looking into the annals of the past, traits of the present and glimpses of the future may often be discerned amidst those dusty records. And surely the pride of the old French nobleman, who said, Ni prince, ni roi je suis. Je suis le sieur de Coucy. is one to be commended, carrying with it as it does the nobler attributes of a hatred of all infamy and deceit, and a striving after the highest ideals of knighthood. May the perusal, then, of these pages not only show us what our forefathers did and how they lived, but also raise in us a desire to uphold to the uttermost the honour of the fair name that once was theirs and now is ours, and which we hold in trust for generations yet to come. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
