

An Anglo-Saxon Reader in Prose and Verse: With Grammatical Introduction, Notes, and Glossary (Classic Reprint)

Excerpt from An Anglo-Saxon Reader in Prose and Verse: With Grammatical Introduction, Notes, and Glossary This book is intended to provide the student with a series of texts in the classical west-saxon dialect of Old English, with such helps in the way of Grammar, Glossary, and Notes, as shall enable him to acquire a sound elementary knowledge of the language, without, at the same time, neglecting the literature. Care has been taken to represent every branch of literature as far as possible. In the prose pieces preference has always been given to original over translated works, and in the poetry every branch will be found fully represented, those pieces being selected whose texts are most certain and require the least conjectural emendation. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
