

# Annual Report on Evaluation

This publication assesses the progress made by the United Nations Development Programme (UNDP) Independent Evaluation Office (IEO), programme and policy units at UNDP headquarters, UNDP country offices and the evaluation units of the associated funds and programmes in fulfilling the evaluation function outlined in the UNDP evaluation policy. The report also presents key findings and lessons learned from independent evaluations conducted by the Independent Evaluation Office in 2013. It also sets out the programmes of work for 2014 and 2015 for the Independent Evaluation Office of UNDP.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
