

Language of Composition & i-claim & i-cite

The ideal book for the AP* English Language course. The Language of Composition is the first textbook built from the ground up to help students succeed in the new AP English Language course. Written by a team of experts with experience in both high school and college, this text focuses on teaching students the skills they need to read, write, and think at the college level. With practical advice on reading and writing and an extensive selection of readings including essays, poetry, fiction, and visual texts that are both interesting and appropriate for a high school audience The Language of Composition helps students develop the key skills they must master to pass the course, to succeed on the AP Exam, and to prepare for a successful college career. Need help with the audit? Click here to download an AP correlation.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
