

Applying Communication Theory for Professional Life: A Practical Introduction

This fully updated Third Edition of *Applying Communication Theory for Professional Life* helps readers understand communication theory and its importance to careers in communication and business. Practical and reader-friendly, the book offers succinct coverage of the major theories that have clear applicability to communication and business practitioners, including theories of intrapersonal communication, interpersonal interaction, intercultural encounters, persuasion, group communication, organizational behavior, social media, and mass communication. In every chapter, authors Marianne Dainton and Elaine D. Zellely illustrate how theory is applied in a variety of professional settings through real-world case studies.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
