

# Arabic Grammar, Paradigms, Litterature Chrestomathy and Glossary (Classic Reprint)

Excerpt from Arabic Grammar, Paradigms, Litterature Chrestomathy and Glossary I acceded the more readily to the request made to me by the publisher of the *Porta linguarum Orientalium* to bring out a new edition of Petermanns Elementary Grammar of Classical Arabic (second edition 1876), because I had myself felt the need of a brief handbook of this description for use in university lectures. Notwithstanding all the excellences of the Arabic Grammars of Caspari-Muller and Wright I have often noticed that the beginner is apt to be deterred from continuing his Arabic studies by the amount of matter contained in these books, unless he is possessed of very great perseverance. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
